

ST JOSEPH' S BOYS' HIGH SCHOOL

1ST AUGUST - 14TH AUGUST

St Joseph's Boys' High School is proud to announce the fifth edition of its legendary Science and Technology fest Transcendence 2021. Celebrated for its 163 years of excellence, St Joseph's Boys' High School is a trail blazer both in academics and extracurricular activities.

This year to celebrate the quinquennial of Transcendence we are going international – bigger and better than ever before! Transcendence is one of the most awaited fests in Bengaluru. Participants are promised an enriching online experience through dynamic events, unique engagements and erudite judges. Our events will take you to the vistas of your mind and challenge your intellect. There is room for everyone – from science enthusiasts to aspiring journalists and hard-core gamers.

Transcendence 2021 is the place to be! So what are you waiting for? Let's get connected!

GENERAL RULES

- Participants are expected to use their laptops for all the meetings and will be removed from the meeting if found using other devices to access the meeting.
- Participants are required to keep their cameras switched on throughout the meeting. Please make sure that the background is appropriate.
- The participants must mute their mics and speak only when asked to do so. Foul or unparliamentary language will not be tolerated. Failure in this regard can lead to disqualification.
- The necessary platforms for accessing the events will be put up on the website and will also be communicated to the participants by the organizers, after registration.
- All the sessions will be recorded in order to avoid cheating or any other sort of malpractice.
- Participants are required to enter the meeting with their correct name and photo uploaded.
- The dress code for all participants is formal/school uniform.
- Participants will not be given permission to record any sessions and the chat options between participants will be disabled in order to prevent malpractice.
- The participants are expected to join their respective meetings 20 minutes before the event starts. The events will start strictly on time and participants entering late will have to explain the reasons for the delay, in writing, to the event heads. Repeated late entry will result in points being deducted and may lead to disqualification after a warning.

- All information will be given to the participants during the meetings or be sent via WhatsApp/Telegram by the event heads.
- Participants are requested to be well prepared with the required material. Any delay on their behalf will not be allowed to impact the staging of the event and event heads can proceed as they see fit.
- There will be a regular feedback session to ensure smooth functioning of the events.
- Any problem faced by the participants can be addressed to the event heads or the members of the organizing committee via WhatsApp/Telegram from the Transcendence Instagram page.
- Enquiries, complaints, or any other issue should be communicated in writing via a message only. No calls will be entertained in this regard. We will make sure that the issue is addressed at the earliest.
- If the participants do not adhere to any of the above rules, they would either be removed from the meeting or points deducted as deemed fit by the organizers.
- All decisions of the event heads/organizers will be final and binding on all participants.
- We expect cordial behaviour and an orderly conduct from all the participants to ensure an enjoyable experience for everyone.
- Prize amounts shown are per team and are subject to change.

PRICING

| Event Price | Early Bird | Normal |
|--|-------------|-------------|
| Solo | ₹100 | ₹120 |
| Duo | ₹200 | ₹220 |
| Event Packages (11 Events, 2 Participants/Teams per Event) | ₹3200 ₹2200 | ₹3640 ₹2900 |
| Gaming | | |

TEAM EVENT
1ST: ₹2500 2ND: ₹1800
ASTRONOMY EVENT

CODE-BLOODED

Whether you want to uncover the universe of information technology or you just want to pursue a hobby in the 21st century, coding is an essential feature.

Logic and skills can take you farther than mere syntax can. Yes, we said it. Transcendence's very own event for the 'code-blooded' is back, better than ever. Create and innovate. It's the language of the century at your fingertips, its essence powered by your keyboards.

GUIDELINES

- Open to students from 10th to 12th grade
- Further details of the event will be communicated to the participants as they register

PsychOH delves into the complexities of the human psyche.

Filled with exuberant venture, this event will compel you to analyze the subjects of pathos, ethos and logos. The strings of the human brain lie unlocked to those who find them. Even the smallest memory can grow either to define you or destroy you.

Venture into the psychotic realm of the human citadel.

GUIDELINES

- Open to students from 9th to 12th grade.
- This event is open to non-science students as well
- Further details of the event will be communicated to the participants as they register.

PSYCHOH

"It is a capital mistake to theorize before one has data. Insensibly, one begins to twist facts to suit theories, instead of theories to suit facts."

This event is not for the simple-minded ...or maybe it is. Never forget to trust your instincts.

GUIDELINES

- Open to students from 9th to 12th grade.
- This will be a team event with 2 members per team.
- This event is open to non-science students as well.
- Further details of the event will be communicated to the participants as they register.

Ever touched a live wire? Get ready for some high-voltage action as you nosedive into an expedition through various components, circuits, relays and laws on your breadboards real-time.

Get a chance to unleash your creativity and bring your most electrifying ideas to life!

Remember:

Dream. Wire. Execute.

GUIDELINES

- Open to students from 10th to 12th grade.
- This will be a team event with 2 members per team.
- Further details of the event will be communicated to the participants as they register.

Indulge in an entrepreneurial experience putting your all round abilities to the test. Make your dream product, battle it out with other entrepreneurs, and market your way to the top.

Rise above various challenges, overcome the scrutiny of investors and see your product emerge from the shadows and become a worldwide success. Let your creativity run wild, and learn what it takes to survive in the corporate labyrinth.

GUIDELINES

- Open to students from 9th to 12th grade.
- This will be a team event with 2 members per team.
- Further details of the event will be communicated to the participants as they register.
- This event is open to non-science students as well.

A trail has emerged,
From within the dark undergrowth
A path into the forest deep....

To where does it lead?
How far does it go?
All but questions,
About the unknown.

To you, O Wonderer,
The route lies open.
For you, Lone Wanderer,
This journey awaits.

Step forth and onwards,
Before the sun goes down,
Dare to walk the lane,
Never tramped upon.
